

QWidget

SliceTool

SliceToolBox

```
graph BT; SliceToolBox --> QWidget; SliceToolBox --> SliceTool;
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'SliceToolBox'. Two arrows originate from the top of this box: one points upwards and to the left to a box labeled 'QWidget', and the other points upwards and to the right to a box labeled 'SliceTool'. This indicates that 'SliceToolBox' is the base class for both 'QWidget' and 'SliceTool'.
