    ColorOptions --> QWidget
    ColorOptions --> colorOptions
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'ColorOptions'. Two arrows originate from the top of this box: one points vertically up to the bottom center of the 'QWidget' box on the left, and the other points vertically up to the bottom center of the 'colorOptions' box on the right. A horizontal line connects the two vertical stems of these arrows, forming a T-junction at the bottom of the 'ColorOptions' box.
