```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'SliceToolBox'. Two arrows originate from the top of this box: one points vertically up to the bottom of the 'QWidget' box on the left, and the other points vertically up to the bottom of the 'SliceTool' box on the right. A horizontal line connects the two vertical arrows, indicating that 'SliceToolBox' is a common base class for both 'QWidget' and 'SliceTool'.
